Explorer Tours

OUR EXCLUSIVE

GLAMPING EXPERIENCE

What to expect...

A central stop along the track, Surfpoint will act as your home base each day, and your own private glamping tent will act as your sanctuary, because everyone needs a little comfort, even when they're on a once in a lifetime hiking adventure!

Our campground is nestled amongst beautiful native gardens at the rear of the resort, secluded but accessible. Each tent has been placed on a limestone pad, providing you with natural elements to help you rest and restore tired aches and pains. Less than 20 meters from shared bathroom facilities, your tents have been comfortably styled with a queen mattress and practical and thoughtful inclusions, all there to give you peace of mind and ease each day.

Hospitality with a difference

Our local team know the track and share a love of the outdoors. Surfpoint Resort is a subsidiary company of Explorer Tours, so our team know how to make your tour more comfortable and enjoyable.

The campground is a native sanctuary, home to local fauna and birdlife. Our team have curated an experience that will enhance your tour. **Your comfort is our priority.** The resort has a fully equipped kitchen, laundry and our main facility spaces ensure you can recharge your (and your devices) batteries at the start and end of each day. From the Nespresso coffee machine to the Koala Eco natural toiletry products, you will have all the comforts of home so you can focus on enjoying your adventure.

It's what's on the inside that counts...

Inside your tent you will find:

A comfortable, supportive Sealy posturepedic Queen mattress

Space to hang your clothes and towels

All linen, pillows and bath towels are provided

A bin for your waste

A basket for storage

Some extra seating and a cushion

Solar powered lighting and torches

All cleaned to perfection using Koala Eco products

Frequently asked questions..

What do you mean by shared bathrooms?

We have TWO large, shared bathroom facilities. These facilities are separated into Male/Female for our guests privacy. Bathrooms contain multiple showers & toilets that are cleaned daily.

Where can I charge my phone and other devices?

There are power outlets in several locations around the resort main facilities (lounge, dining) where you are able to charge your devices.

Is it warm and well lit enough in the tents at night?

To ensure you have a cosy sleep, we supply extra blankets and hot water bottles. We equip you with personal torches to use under the stars.

What do I need to bring?

To help you feel at home, we suggest that you bring along:

- a warm jumper
- a warm beanie
- warm socks
- shampoo/conditioner
- Slippers or flip flops
- A charging bank for your devices

Voice of the guest:

here's what our campers have said after their stay

"So relaxing at the end of the day"

"I slept so well and the stars were spectacular"

"Such a comfortable mattress!"

"birdsong was my alarm clock"

"I loved having nature at my doorstep"

"The facilities exceeded my expectations"
