Corporate Tours

We offer a range of options to suit your Corporate needs and can provide Welcome to Country, Guided Cape to Cape Track walks, Guided Caving tours, Team building activities, Transfers, Wine tasting tours and more.

Package inclusions for the group:

- ▶ Perth Transfers as required
- ▶ Welcome to Country
- ▶ Tailored Team building activities to suit the theme of your visit
- ▶ Experienced and tertiary qualified Cape to Cape Guides with first aid qualifications
- ▶ All planning, logistical and administrative support from our staff on the ground in Margaret River, with priceless local and up-to-date knowledge about the track, track conditions, weather and local area;
- ▶ Interpretation of the regions unique geography, flora, fauna, marine life and anthropology
- ▶ Bespoke transfers to many of the regions best kept secrets including wineries/breweries and restaurants
- ▶ We aim to offer a bespoke package and can look at a variety of options for your visit to the SW region tailored to your needs.

We co-ordinate everything from your one-off event to week long experiences.

Motivation and aligning goals are important to company and business success. We believe conferences and team building initiatives should inspire your team to deliver results and better understand each other's strengths, weaknesses, and interests. This understanding helps them work even better together on future progress vital to a company.

Staff Development Events, Focus Groups, Workplace Rewards.

Let us help you create an event that will be celebrated back in the workplace and stimulate fresh ideas and experiences. Cape to Cape Explorer Tours will bring all the elements together for a successful event that generates velocity.

Cape to Cape Explorer Tours has collaborated with a range of corporate clients over the past six years, including the Western Force, Fremantle Dockers, Fortescue Metal Group (FMG), Holden Australia, World Courier, Knights Piesold, College of Surgeons and the Salvation Army to name a few.

▶ Please contact to discuss your requirements further and we look forward to creating your bespoke package
